Dr. Tatu Joy, completed his BDS in 1995 from CODS, Mangalore and MDS in 1999 from SDM CODS, Dharwad. He also completed his PGDMLS from Symbiosis University, Pune in 2000. An Oral Medicine and Radiology specialty practitioner since 2000, got into finding solutions for his umpteen number of patients suffering from TMD and facial pain. In his quest for answers he landed up in the lap of NMD since 8 years. And ever since has never had to think twice to suggest n treat TMD with NMD. He is currently in the process of refining and developing newer management strategies and protocol in uncharted territory! With over 25 pub-med publications to his credit, he along with team ICCMO India, wants to develop this future-perfect science of dentistry in India for all who want solutions to their patients' woes. He is currently Professor, HOD & PG guide in SMIDS, Kulasekaram, Tamil Nadu and PhD guide in Pacific University, Udaipur. He is also the Director of Maxillofacial Diagnostics, Kaloor and the managing partner of The Right Bite, Cochin.
