

1st ICCMO INDIA CONGRESS

India's Step Forward in the Neuromuscular Dentistry Revolution

“Measuring Occlusion and Muscle Physiology”

DATE : 25TH & 26TH AUGUST 2018 | VENUE : THE CAPITOL, BANGALORE

Katrina Basso, Myofunctional Therapy Provider, Communicative Disorders Assistant

Katrina Basso holds a Bachelors Degree in Speech and Language Sciences as well as a post-graduate degree in Communicative Disorders. She is a registered member of CDAAC.

Her interests in the field include early language development and speech production as well as orofacial myology. She is especially passionate about the benefits of early intervention for all clients, and strives to provide therapy that goes beyond the clinic to benefit her clients in all facets of their lives.

Katrina works in private practice at Swallowing, Voice and Speech Rehab (SVS) as a Myofunctional Therapy Provider and Communicative Disorders Assistant.
